

SMALLTALK MODEL SUPPLIES TRADING ONLINE AS **GRUMPY'S BAZAAR**

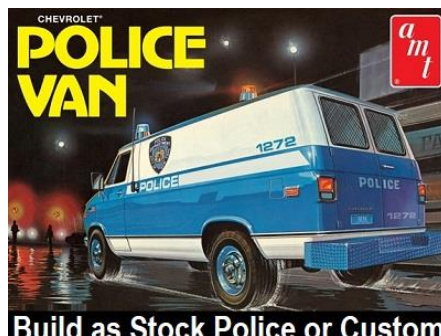

INCOMING FROM THE USA

We are busy putting together an order from the USA. If you would like to secure any of the following goodies, please let me know by close of business on Monday, 11 March 2019. As usual, the quoted prices are "worst case". If we manage to land the order slightly cheaper, the discount will be passed on to you.

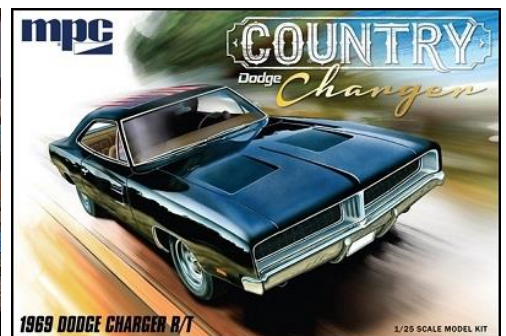

If you need something not shown below, go and look for it on the Modelroundup website and let me know - <https://www.modelroundup.com/>

SKYLINE RE-APPEARS

In June this year, Aoshima is re-releasing their Pretoria Brick Nissan Skyline Turbo Group 5 as raced in the 1982 Kyalami 9-Hour. It was last produced in 2009, so it may be another ten years before we see it again. If you'd like one, let me know urgently, so I can put you onto the waiting list.

My Italeri supplier duplicated my order on these - so instead of returning them for credit, I'll rather sell them at cost price. If you are interested, contact me for an unbelievable deal!
