

# SMALLTALK MODEL SUPPLIES TRADING ONLINE AS **GRUMPY'S BAZAAR**

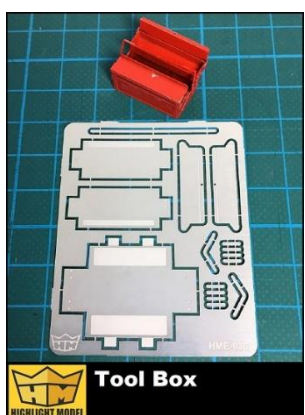

## DIORAMA & DETAILING BITS

We are about to receive a consignment of detailing goodies (as I write this on 23 April, the box is somewhere between Bloemfontein and Kimberley). However, the result will be sweet, as there is some interesting stuff in the box. Here's a taste – but remember that a lot of items have been pre-ordered, so stock is very limited!

## UNIQUE EMBLEM SET

Local modeller, Gert Engelbrecht, recently commissioned a special photo-etched emblem set to bling up his Fujimi FJ Cruiser. Guess what? He had some extra sets made so that we can give away a free set with the next four FJ Cruisers that are ordered.

**Thanks Gert – what a boykie!**

## NEW TAMIYAS ARRIVING SOON!

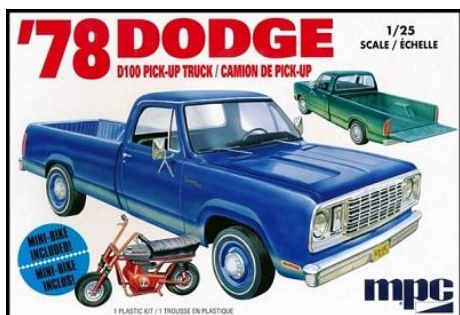

**TAM 24346 R675.00**

I'm expecting the two long-awaited, great new Tamiya kits in the second week of May. I have 12 of each or order (I hope I get them all) and only two of each still available. So, if you still want to reserve one, get hold of me pronto!

## OUR PRICING POLICY

Just a reminder that the price that Grumpy's Bazaar quotes you on kits is “worst case” – if they land cheaper, you get the benefit of a discount – if they land more expensive, we will take the knock!
